Deposit and Payment

*Banquet rooms are held tentatively for one week, after which a \$4.00 per person deposit is required. Payment is rendered by cash or check the day of the event. Prior authorization of credit cards is required. **All deposits are non-refundable.** Due to the rising cost of labor and food prices, it is imperative that an approximate count be given 7 days in advance, with an exact count 3 days prior. This count is to include all entertainment and photographers. Prices quoted are per person and are subject to seventeen percent gratuity and applicable New York State sales tax.*

Extensions

All banquets are based on a four-hour time period. To extend any event beyond that time period, an extension fee applies. To extend without a bar package or Venetian hour, a charge of \$3.00 per person will be added. To extend with a bar or Venetian package, a charge of \$2.00 will be added based on the final count given. Saturday afternoon functions may not extend past 5 p.m.

Liquor Regulations

Under the rules and regulations of the New York State Liquor Authority, all guests present at events held at The Beeches may be asked by personnel for proof of age. This includes members of the bridal party. Staff can refuse to serve anyone who does not have required identification. They may also, at their discretion, refuse to serve alcoholic beverages to any guest they feel has reached their consumption limit. To help promote responsible drinking, The Beeches staff has been trained and are certified servers of alcohol under the T.I.P.S. program (an alcohol awareness program).
