Central NY's Golf Course & Product Source

About CNY Golf Source

Central New York is one of the top 10 golfing destinations in the United States. With this in mind, MVINTECH has launched a new service dedicated to Golf Courses and Golf Products in the Central NY area. CNY Golf Source represents a single locations where golfers living or visiting Central and Upstate NY can go to find courses, check out golfing events, tour courses on-line, find new and used golfing products, and more. If you are a Golf Course in the Central NY area you can afford not to join. Read more about our membership programs below.

Basic Membership: \$40 per month, \$480 per year:

- Courses can describe their course, update contact information and upload logo or primary picture for site used for basic advertisement of course.
- courses maintain their hours of operation
- courses may describe each of hole of their course allowing visitors to view in a virtual tour mode.
- Courses may put all of their events on-line
- Courses may list and sell golfing products on-line (products are also displayed in our www.cnyshoppingsource.com site)
- 1 email account per course with email form for customers to contact the course through the web site.
- Provides courses with ability to use CNY Golf Source as a mini-web site for their business with URL as www.cnygolfsource.com/coursename
- Rotating homepage advertisement on www.cnygolfsource.com

GolfHost Membership: \$60 per month, \$720 per year:

This membership includes all of the same benefits of the basic membership but allows the course to use CNY Golf Source as their web site home pages for their specific domain with the site home page showing their welcome message, local events, and products for sale. This fee includes cost of web site hosting and email. There is a one time \$75 hosting set up fee as well.

Custom Web Site Development

Development of a custom web site design is available and is priced based on specific course needs.
