Congratulations Select Transportation!

Congratulations on being selected as a finalist in the Best Preowned category of the 3rd Annual Dealer Web Site Contest. You can be very proud to be among the elite in a field of 1,300 submitted web sites. It was great to have you at the awards breakfast at the Hilton during the NADA convention in Las Vegas.

Sponsored by *Automotive News* and Ziff Davis Media, this contest recognizes those auto retailers who are most effectively using the Internet to find, sell, and serve customers, and to maintain a successful customer relationship.

We look forward to seeing you next year in New Orleans, at the 4th Annual Dealer Web Site Awards Ceremony. The contest will be announced in November 2001 issues of *Automotive News*, and we will also notify this year's entrants by email. Congratulations again on your impressive achievement.

Sincerely,
