

## Baum's Citrus Cleaner

**Baum's Citrus Cleaner** provides a unique new approach to heavy duty cleaning and degreasing. Non-petroleum based, it is environmentally safe, yet strips away heavy grease buildup from most any surface. Non-corrosive and non-flammable, it can be used on any surface where water can be tolerated. It is 100% biodegradable and water soluble. **Baum's Citrus Cleaner** deodorizes with a fresh orange scent.

The concentrate is a superior and economical cleaner used extensively for cleaning transportation equipment and parts, industrial plants, machinery, floors, ship and boat bilges, crude oil storage tanks and the like.

**Baum's Citrus Cleaner** is formulated from all natural ingredients: citrus derived surfactants (d-Limonene), non-ionic and anionic surfactants, wetting agents, organic sequestering agents, emulsifiers and coupling agents.

### TECHNICAL DATA

Appearance	Amber Liquid
Odor	Fresh Citrus
pH	10.5 + 0.5
Specific Gravity	0.94
Weight per Gallon	7-84
Flash Point	None
Solubility	Complete
Rinsability	Excellent
Biodegradable	Complete

### USES:

Clean grease traps and drains	Cold tank cleaner
Remove soap scum	Clean fork lift trucks
Clean carpets and upholstery	Remove tire marks
Additive for cleaning solutions	Remove tire marks
Additive for laundry detergents	Remove carbonized grease and oil
Remove rubber cement	Solve industrial grease problems
Remove printer's ink	Control Odors
Remove spray adhesives	Remove decals
